The Bartlow Bros. Band is:

The Bartlow Bros. Band is a 3-piece rock & roll group based in Western Pennsylvania. Travis and Adam Bartlow are twin brothers who have been playing music since the age of 8. At age 14, they picked up the guitar for the first time, and found a love for the classics of the '70s and '80s – **The Golden Age of Rock**. In October 2009, they had their first live performance, and haven't looked back since. Over the years, they have played numerous shows all over Western Pennsylvania. In the summer of 2018, they got together with Justin Schmidt, an accomplished drummer who toured in bands across upstate New York. After just a few short months, they quickly developed a distinctive, energetic, and fun sound, and have become one of the tightest bands in the area.

Our main goals are to get people up on their feet, have a good time, and most importantly, **spend money at your venue!** So if you want your patrons to have an enjoyable and exciting evening, book The Bartlow Bros. Band today!

The Bartlow Bros. Band has booked shows with the biggest music promoters in the Pittsburgh area, including:

Drusky Entertainment,
Fuzion Entertainment,
and SSS Promotions
